# ETR2 Ice & Snow Melting Controller - Small Applications

**Cod produs / Product code: ETR2**

Manufacturer: OJ Electronics

Economical controller from OJ Electronics for snow and ice melting on small surfaces and gutters, with simple installation and optimised energy consumption.

## Technical specifications

<b>CONTROL</b>	On/off electronic control, up to 3,600 W
<b>USE</b>	Gutters and small outdoor surfaces
<b>DETECTION</b>	Temperature and moisture
<b>INSTALLATION</b>	Simple
<b>MOISTURE SENSITIVITY</b>	Adjustable
<b>FORCED HEATING</b>	Manual activation possible
